OUR FOUNDER

He's a nobody. He's an ordinary person who until now still regularly has an office at the largest coal mining company in Asia which is located in Sangatta City, East Kutai Regency, East Kalimantan.

His service for more than 10 years in the company doesn't even make him arrogant. He remains a simple figure in thinking, speaking, and acting.

He does not have excessive ambition to be successful and rich. He just wants to live life according to his philosophy (in Javanese):

Mr.
Dhadhang
Dhergantara

“Ugluruk tanpa bolo, menang tanpa ngasorake, sekti tanpa aji-aji”
